Note

MRV application fee (US Dept. of State). A new USD 250 Visa Integrity Fee (2025 law) is being phased in across consulates and, where a post collects it, is charged at visa issuance on top of the MRV fee, so a visitor visa can total about USD 435. The integrity fee is refundable in principle if you comply with your visa conditions. In-person interview required; appointment wait times vary widely by post.
