- Valid Passport
- Bank Statements 3 6 Months
- Proof Of Funds
- Travel Itinerary
- Accommodation Proof
- Return Ticket

### Note

The UK now issues a digital eVisa instead of a passport vignette. UKVI stopped issuing visa stickers to new applicants on 1 July 2026, and physical BRP cards were phased out. You still apply online and enrol biometrics at a visa application centre; the visa itself is then held in your online UKVI account (no sticker in your passport). An Immigration Health Surcharge (IHS) applies additionally to Student and Work routes.
